

**St. Rocco's Hospice - Christmas sponsorship packages**

## About St. Rocco's Hospice

St. Rocco's Hospice have been providing specialist palliative care to people across Warrington for 40 years.

We ensure everyone has the best quality of life, by providing personalised care and support to patients and their loved ones in a friendly, relaxed environment.

We are not part of the NHS and only a small proportion of our work is funded by the government. As a result, **we need to raise over £5million annually** to run our hospice and our vital services that are essential for the well-being of our patients, their families, and the wider Warrington community.

## Our Christmas Markets with Light Up a Life

Throughout the year St. Rocco's Hospice organises several high-profile events for the community with the primary aims for raising funds and awareness for the hospice and services.

Our Christmas Market will be on **7<sup>th</sup> December starting from 1pm** and is perfectly paired with our Light Up a Life service. It is an opportunity for our supporters to remember those who are no longer with us during the festive period. Food and drink vendors will be on site throughout the event along with our Letters to Loved Ones post box and Book of Honour. The switching on of our Children's Christmas Tree will take place at 4pm, and main service at 4.30pm.

**A church service will also take place at St. Elphin's Church on Wednesday 10th December at 7pm.**

Supporters can dedicate a light in memory of a loved one which will take place among the thousands shining on our Christmas Tree and their dedication will be added to our book of honour and our beautifully lit hospice gardens will be available to view throughout December.

## Sponsorship opportunities

Supporting the hospice as one of our event sponsors enables us to run events while keeping costs to a minimum, ensuring more of the money raised goes to towards patient care. **We would be delighted if you would consider being one of our 2025 Christmas sponsors.**
